Ok. Just read the case. I am not overly concerned about the drug charges. So, as usual, be on standby. She was also charged with Assault w/Dang Weapon. Victim attempted to assert his fifth, however, judge did not find a valid fifth. This case was arraigned in Jan this year. If she has stayed out of trouble, may make an offer she should not refuse. The officer who located drugs during booking is not available. Bottom line, not sure this will be a trial, and, even if it is, I may offer pre-trial probation on the drug charges or drop them altogether. Getting her on the drug charges is not as important as you running your lab, in this case. I will keep you posted. Thank you for the updated Certs.

Bob
